

Monday Motivation | 2 | Go ahead, get inspired by what we can do and create!

Why is it important to stay motivated and inspired? Here are the facts YOU need to know: (source: [The World Health Organization Fact Sheet February 2017](#)). [Depression is the leading cause of disability worldwide. Globally, more than 300 million people of all ages suffer from depression. Close to 800 000 people die due to suicide every year.](#)

Stress, disengagement, and depression are the worst threats we face at a time when human creativity and collaboration are the litmus test of success. **Do you want to get inspired by what we can do and create? Check out the following exciting 2017 discoveries, innovations and predictions.**
