

# Motivational Monday: Engage your greatest power

Embrace and engage your greatest power by taking one small, but important step out of your comfort zone. One step towards a better, stronger and happier you. One step that will help you develop the cognitive and emotional dexterity you need to thrive in times of uncertainty and turbulence.

Take this moment to feel your strength and to light the fire of your greatest purpose, passion and potential because...

[Today you have the power to change your story.](#)

*Today you can engage your greatest power by re-discovering your best self and noblest intentions.*

Today you can take one small, but powerful step forward that can change your life and the lives of others.

Seize this day by deciding to think, act or communicate in a new way and by remembering that

[true happiness is found in who we are and who we can become when we tap into our best self and greatest power.](#)
