

Saturday Video: Boost Your Results & Reduce Your Hours

How can you boost your results while reducing your hours?

In the book, *Extreme Productivity*, Robert C. Pozen shows us how to be truly productive, even when faced with a myriad of competing demands

and multiple time-sensitive projects. During the 5 year period in which this book was written, Pozen held down two full-time jobs as a business leader and a Harvard teacher while also keeping a good relationship with his wife and family. The book is based on his long-term, real-world experience and gives the reader excellent counsel on productivity, personal development, and relations.

More? You betcha.

Here are some of my favorite stress-busting techniques and a cool tool (2-minute solution) to help you recharge, refocus and repower. Yes, stress is a 21st-century part of life that is eroding individuals and organizations from inside out.

Stress not only impairs cognition, productivity and also damages our physical and emotional health. **Less stress-greater**

productivity and success!
